Our burgers begin their journey as pastured cows up at **WOODEN NICKEL FARMS**, just a few miles north of here. 100% of the beef we use here at the pub comes from our own humanely-raised animals, in addition to the pork and lamb you'll see on our specials board. These animals spend their whole lives on pasture, improving the soil for future generations and

Providing you with the best possible dining experience is not just about the food on your plate, but also how it got there. We think doing it this way makes for a better tasting burger, and one that you can feel really good about.

- ▶ sub **housemade veggie patty** or **chicken breast** on any burger
- ▶ sub side salad, garlic fries, fried veg of the day, edamame, onion rings or banana peppers for +1.5
- ▶ add an **extra farm beef patty** to any burger for +5.
